

DUBLIN'S HIDDEN RIVER

Is there a secret river under your school?

The River Poddle flows from Tallaght to the Liffey, mostly hidden under roads, parks and houses. Can you find where it runs near you?

Dubh Linn

Dublin is named after a black pool on this river. It was where Dublin Castle's gardens are today.

The Stone Boat

A stone hundreds of years old still splits the river in two on Sundrive Road. Why would anyone do that?

Mills!

For hundreds of years the river turned mill wheels to grind flour. Was there one near you?
